

Activity Bus SIGN-UP Form

For Spring Mad Science

As a courtesy to our parents, the Farmland PTA has arranged to piggy-back on the services of the activity bus to transport kids home from after-school PTA activities. The bus will run only on Tuesdays and Thursdays and there are a **limited number of spaces** on the activity bus. This is optional and the PTA is collecting \$2/trip to benefit Farmland ES. Please complete this form and return to the PTA mailbox.

TIME: The MCPS Bus Depot is unable to provide a schedule for arrival as the route and time depends on who is riding the bus that day. The activity bus is a MCPS school bus and will leave Farmland around 4:45. There could be as many of 40-50 children riding the bus on Tuesdays and Thursdays. During peak periods, it may take almost an hour to reach the final stop, so please be patient.

DISMISSAL: You need to make sure that your child's homeroom teacher is aware of your child's after school activity so they are dismissed to the Mad Science classroom. Once they are signed-up, they will not need another note to ride the activity bus as a roster will be provided to the school. The school will call the activity bus (similar to normal bus dismissal) so your child needs to make sure they are on board.

ROUTE: The activity bus followed this route in the Fall Semester and will likely follow a similar route. Your child's bus color and stop will be provided to the school (listed below) and the bus will stop only as needed. Please make sure that you are there to meet your child. If no parent is present, the bus will return your child to North Lake.
