

Farmland's Second Annual Geography Bowl

We are so excited to be holding a Geography Bowl for 3rd, 4th, and 5th grade students. Here is how it works.

Third grade: US Geography

Students will receive geography packets in class the week of March 22nd.

Fourth and Fifth Grade

Students should **return this form with the back completed** by **March 22nd** if they would like to receive a packet. **Fourth** grade packets will be on the **Americas, Antarctica, Oceania and Africa**. **Fifth** grade packets will be on **Europe and Asia**.

All Students

- **April 12th**: Students voluntarily complete the geography packet (or as much of it as they can) and turn it into their teacher. Students are welcome to have help from parents and can work together with friends, but each student should turn in their own packet.
- Geography packets will be corrected by the Geography Bowl committee and returned to students in class. Every student who turns in a geography packet will receive a participation certificate at the Geography Bowl.
- Students will receive their corrected packets so that they can review them.
- **April 23th**: students sign up take a quiz at recess to try out for their class team.
- **April 29th (make up day April 30th)**: students try out to be in the Geography Bowl by taking a short geography quiz during recess. The top 4 students from each class will represent their class in the Geography Bowl.
- **Week of May 10th**: Geography Bowls (*3rd grade will be on 5/14 from 9:30am-10:30am; 4th grade will be on 5/12 from 9:30am-10:30am; 5th grade will be on 5/14 from 10:45am-11:45am*) where the 4 representatives from each class will compete against each other. Students watching will cheer for their class.
- The winning class from each Geography Bowl will win a special prize for their class.

If you have any questions, please contact the Geography Bowl Committee, Julie Wang (juliechenghuayang@yahoo.com), Diane Cordray (cordraystewart@verizon.net) or Heather Watts (bobandheather96@msn.com).

Geography Bowl Sign-up for 4th and 5th grade.

Please fill in your name, grade, teacher and an email contact (in case of any problem getting the packet) below if you would like to receive a geography packet to get started on the geography bowl.
